STANDING RULES. All meetings associated with the County Board shall be conducted under Robert's Rules of Order, the Newest Revised Edition, except as specifically stated in this document. The following are the Standing Rules of the Columbia County Board of Supervisors.

RULE 1. BOARD MEETINGS.
In the event the Chair is unavailable to preside over a meeting of the Board, the First Vice Chair shall preside. In the event the First Vice Chair is unavailable, the Second Vice Chair shall preside.
ORGANIZATIONAL MEETING. The Board shall meet on the third Tuesday of each April to organize and transact business. At the organizational meeting held in April on even numbered years, the County Board Chair, its First Vice Chair, Second Vice Chair and two Executive Committee members shall be elected as prescribed under Board election procedures by a majority vote of the members present. The Standing Rules for the current session of the Board shall be adopted by a majority vote. Committee appointments shall be made by the County Board Chair.

ANNUAL MEETING. The Board shall hold an annual meeting on the Tuesday after the second Monday of November to address the regular monthly agenda and conduct the annual budget hearing. When the day of the meeting falls on November 11 (Veteran's Day), the meeting shall be held on the next succeeding day.

REGULAR MEETINGS. The Board shall hold its regular meetings on the third Wednesday of the month, except when Wisconsin Statutes establish the meeting date. The date of the meeting may be changed by a majority vote of the Board. The Board shall meet monthly except that no meeting shall be held in February or August unless the Chair, at his or her discretion, decides that a meeting is necessary.

SPECIAL AND EMERGENCY MEETINGS. A special meeting of the Board shall be convened in accordance with s. 59.11 (2), Wis. Stats., upon a written request of a majority of the supervisors delivered to the Clerk, specifying the time and place of the meeting. In addition, the Board Chair may convene the Board in a "declared emergency" using the procedure defined by Title 2 of the County Code of Ordinances.

MEETING HOUR. The hour for the morning meeting of the Board shall be 9:45 a.m., and afternoon sessions following recess or adjournment shall meet at 1:30 p.m., unless otherwise ordered. During the months of May through October, the Board shall commence its meeting at 7:00 p.m. The Clerk shall note
the time of calling of the meetings in the minutes.

(6) **MEMBER ROLL CALL.** Whenever the Board convenes or reconvenes, the Clerk shall make a roll call of the members to establish a quorum. A roll call shall not be required if the recess is 15 minutes or less. All roll call attendance records of each Supervisor shall be recorded in the minutes and printed with the annual proceedings of the Board. Any Supervisor who is not present for roll calls shall at the first opportune time, in order to be recorded present, make his/her presence known to the Clerk. In the event any member is going to be absent for all or a portion of a session, it shall be necessary to inform the Chair. The minutes shall reflect whether an absent member notified the Chair in advance of the meeting.

(7) **ORDER OF BUSINESS.** The regular order of business, which is subject to the discretion of the Chair, shall be as follows:

(a) Roll call.
(b) Pledge of Allegiance.
(c) Approval of the printed journal unless otherwise ordered.
(d) Approve agenda and any changes thereto in compliance with open meeting law requirements under Sections 19.81 through 19.98, Wisconsin Statutes.
(e) Claims and petitions.
(f) Communications/Public Input on non-agenda topics.
(g) Committee reports.
(h) Appointments.
(i) Union Contract ratification.
(j) Resolutions to be considered and resolved.
(k) Consideration of proposed ordinances.
(l) Consideration of other business on the table.
(m) Requests for future agenda items.
(n) On the day set for the adoption of the budget, the budget shall be considered immediately following "Appointments" during the morning session.
(o) On the last day of the current session, a reading and correcting of the journal
of the day shall be done immediately prior to the final adjournment.

(8) **MEETING AGENDAS.** The County Board Chair shall establish the agenda for County Board meetings. Committee Chairs shall establish the agenda for their Committee meetings, subject to review and approval by the County Board Chair. However, the County Board or any Committee may, by majority vote, place an item on the agenda for a future meeting designated by the motion.

**RULE 2. ADDRESSING THE COUNTY BOARD.**

(1) Every member, prior to speaking, shall address himself/herself to the Chair.

(2) When two or more members wish to be recognized, the Chair shall designate who shall speak first.

(3) No member shall speak more than twice on the same subject or question without approval of the Chair. A member may only speak for a total of 10 minutes or 5 minutes twice on a particular motion. If a member wishes to only inquire for informational purposes that will engage in questions and answers, then a member may take a total of 14 minutes or 7 minutes twice on a particular motion.

(4) A member called to order by the Chair, shall immediately relinquish the floor. The Board, if appealed to, shall decide the case. If there is no appeal, the decision of the Chair shall be submitted.

(5) Any person who is not a member of the Board who desires to address the Board on an agenda item, must first receive the approval of a Board member. The member will then request that the Chair recognize that he/she is relinquishing time to the non-member to speak. The member thereafter forfeits one of his/her rights to further address the subject. The non-member shall be governed by all other relevant rules of the Board and shall address only the subject before the Board.

(6) Public Input shall be limited to items not on the agenda and a person may only speak for 5 minutes.
RULE 3. MOTIONS.

(1) All motions must be presented by a Board member.

(2) No motion shall be debated by the Board unless it is seconded; it shall be restated by the Chair before debate. Lengthy or complicated motions must be presented to the Clerk in writing after receiving a second.

(3) After a motion is restated by the Chair, it shall be deemed to be in possession of the Board. All motions, resolutions, and amendments shall be entered at large upon the journal.

(4) When a motion is being debated, no other motion shall be made except to lay on the table, to adjourn for the previous question(s), to limit or extend limits of debate, to postpone to a day certain, to refer, to amend, and to postpone indefinitely; these several motions shall have precedence in the order in which they are stated above.

(5) The motion to adjourn shall always be in order; that and the motion to lay on the table shall be decided without debate.

(6) If the question under debate contains several points, any member may move to have it divided.

RULE 4. REPORTS.

(1) A committee report shall be a written or oral statement of the committee’s position with respect to a particular issue or issues on the agenda. If a written report is provided by the committee, it shall be included with the mailing of the monthly Board agenda prior to the meeting. Reports may be presented orally or read from a written document orally. These reports will be accepted into the record, listed in the monthly minutes, and filed if there are no objections. Annual reports shall be submitted yearly and included with the mailing of the monthly Board agenda prior to the meeting. Whether or not a written committee report is provided, the committee chair or another member of the committee may be called upon at the meeting to provide background information and to explain the committee’s recommendation.
Final majority reports from ad hoc committees shall be written and shall be recorded in the Board Minutes by the Clerk. A minority report may be filed in a like manner.

Notwithstanding sub. (1), above, the Board Chair may schedule a written or verbal informational update report from any committee regarding any topic before the committee even if a decision item on that topic is not on the agenda.

RULE 5. RESOLUTIONS AND ORDINANCES.

(1) The Chair, after consultation with the Corporation Counsel, will determine when contractual arrangements must be approved by the Board.

(2) Compensation plans for all non-union county employees shall be presented by the Human Resources Committee and shall be approved by a simple majority vote of the members present.

(3) The resolution to adopt the budget shall require a two-thirds vote of the members present at the meeting.

(4) Resolutions to make transfers from the General Fund or the Contingency Fund shall be referred to the Finance Committee for its recommendation back to the Board, and shall require a two-thirds vote of the entire membership of the Board to obtain passage, pursuant to Sec. 65.90 (5)(a), Wis. Stats.

(5)

(a) A resolution, petition, or motion submitted by a member or members not constituting a committee shall be read and referred to the appropriate committee by the Chair.

(b) Resolutions, petitions, or motions submitted by non-members shall be presented through a member for referral to an appropriate committee.

(c) If not returned for Board consideration, the committee shall present an oral or written report of its conclusions.

(d) Notwithstanding sub. (c), the full Board may take a resolution, petition, or motion from a committee that has not been considered by a majority vote. In
addition, the full Board by majority vote may reject or stop any action made by a committee. If the motion passes, the resolution, petition, motion, or action from that committee will automatically be placed on the full County Board meeting agenda for consideration at the next scheduled meeting.

(6) Resolutions and/or ordinances shall:
(a) Be submitted by Board members or committees only.
(b) Indicate at the top a brief synopsis and the name of the committee introducing the document to the Board.
(c) Be numbered on each line and page of the document.
(d) Contain a fiscal note explaining the budgetary effect of the proposed action, if applicable. The fiscal note shall be referred to the Finance Committee for its recommendation.
(e) Be submitted in writing to the Clerk by 12:00 noon on the Thursday before the Board meeting date, unless the Clerk requests an earlier delivery date or time, and to the Corporation Counsel for review at the same time as distributed to members.
(f) Be considered, if submitted after the above deadline, only if deemed urgent by the Chair. Any resolution that is not included in the agenda may be placed on the agenda if the media and public have been noticed of such addition more than twenty-four hours in advance if it is not an emergency or more than two hours in advance if it is an emergency. Any resolution added in the above manner may be considered by the Board unless objected to, in which case a two-thirds majority of members present will be required for consideration.

(7) Resolutions submitted to the Board for adoption shall be signed by a majority of the members of the submitting committee and ordinances shall be signed by the Chair and Clerk after adoption.

(8) Resolutions and ordinances shall be taken up
in the order in which they are presented, unless otherwise ordered by the Chair. If there is no objection from the Board members present, the reading of any proposed resolution or ordinance may be waived by the Chair and be referred to by title only provided that all members have received a written copy of said resolution or ordinance at least twenty-four hours prior to the Board meeting. An ordinance or resolution may be amended at any time prior to its being adopted by the Board.

(9) Amendments offered shall be germane to the primary subject of the resolution or ordinance.

Thereafter, the same subject may be placed on the agenda for consideration only with the vote of two-thirds of the entire membership or a majority rule
