Original color map plots, except for orthophotography and contours, come in standard sizes. All of the maps have standard features. Please visit the Land Information Website (<http://lrs.co.columbia.wi.us>) or contact the Land Information Department (608.742.9616) for information regarding the sizes and the standard features available for the maps listed below. Contours, orthophotography, and other types of maps can be produced at a variety of sizes. A custom product charge will apply if the map requested is not a standard map size, if the map requested contains additional information other than what is present on the standard map, or if the map is not listed below. Custom charges are \$30 per half hour work, with a minimum of charge of \$30, plus the cost of materials, and shipping. State of Wisconsin and Columbia County taxes are included in the listed price of all data orders. If you are a tax exempt agency please provide tax exempt form to the Land Information Department. Please contact the Land Information Department about the availability of customizable products.
