Wisconsin Department of Transportation

---

June 7, 2018

## **Public involvement meeting scheduled for I-39/90/94 & WIS 60 interchange improvements, Columbia County**

The Wisconsin Department of Transportation (WisDOT) will hold a public involvement meeting to discuss planned improvements for the I-39/90/94 and WIS 60 interchange in Columbia County.

The meeting will be held Tuesday, June 26 from 5:30-7 p.m. at the Arlington Village Office, 200 Commercial Street, Arlington.

The DOT is designing a project to replace the northbound and southbound bridges on I-39/90/94 at WIS 60, and reconstructing WIS 60 between Pine Hollow Road and Sunset Drive. The project will include replacing existing partial cloverleaf interstate ramps with a diamond interchange. Construction is scheduled for 2022-23.

Local property owners, business owners and the general public are encouraged to attend the meeting and provide input concerning the project. WisDOT representatives will be available to discuss on an individual basis.

If unable to attend the meeting, questions can be directed to WisDOT Project Manager Chris Hazard at (608) 245-2652 or [Christopher.Hazard@dot.wi.gov](mailto:Christopher.Hazard@dot.wi.gov)
