PROJECT LIFESAVER PROGRAM

The Columbia County Sheriff's Office is proud to announce the implementation of a program called "Project Lifesaver". The Project Lifesaver Program is a Locator System where your at risk individual (Alzheimer's, Dementia, child with Autism or Down syndrome, etc.) would wear a special tracking bracelet in the event your loved one became missing. The missing person could then be located by a specially trained team with the tracking device system.

The Project Lifesaver program is being administered by donations only at this time. Donations are welcome at any time. They may include:

- ❖ **Family may donate to the program as you wish for your loved one**
- ❖ **Have a business sponsor your client with a donation**
- ❖ **Have another individual sponsor your client with a donation**
- ❖ **Check with your personal insurance for coverage on a program such as this (Please advise us if this is an option)**
- ❖ **Have you been in contact with Columbia County Health & Human Services programs?**

The consideration of so many businesses and individuals has made this project a reality to give you as caregivers peace of mind for your loved one.

Financial Donations may be sent to:
