This application is for those individuals who have a mobile home on an operating farm for the purpose of providing housing for farm labor. The application must be complete in its entirety, including a notarized signature of the farm operator, before a Temporary Occupancy Permit will be issued. In addition, since the permit authorizes occupancy, the mobile home must have a connected private sewage system prior to issuance of the permit. Incomplete applications will be returned. Your property tax bill should contain all the information necessary to complete this form. You may also contact the Land Information Department at (608) 742-9616 or the Planning & Zoning Department at (608) 742-9660 for this information.

The Zoning Ordinance allows mobile homes for farm labor as follows:

1. It must be on an operating farm and no more than one is permitted
2. The Town Board must verify the need for such housing for farm labor on the farm annually. A written statement, resolution or copy of the Town Board minutes must be submitted.
3. The farm operator, on forms provided by the County, must submit a sworn (notarized) statement annually that the occupant of the mobile home is employed in the farm operation.
4. Any mobile home permitted under this section that is found to be occupied other than as permitted by ordinance will be deemed to be in violation and shall be removed from the farm within 90 days of receiving notice of such violation.

This form MUST be completed by farm operator only
