April 10, 2012

Casey informed the committee that the report for the DNR which was due the end of March still has not been put on line for completion.

Policies and Procedures

The Sheriff's Department sent a note stating that we should have some type of policy in force regarding employees removing items from the facility. Casey indicated to the committee that we have a written policy in effect.

Recycling Market

Markets are still holding good.

Still taking Ag plastic with only one company presently taking the plastic. Discussion followed.

Operations Report

We have shut one drum down for yearly maintenance. We have rented a crane to be able to reach certain areas of the drum. Casey stated that the drums have been in operation for 21 years.
