Columbia County Solid Waste  
September 14th, 2010

**Recycling Market**

Markets are holding with paper prices down somewhat. We are trying to find ways to reduce the amount of demolition going out so we are looking at possibly doing carpet recycling, and we have started with recycling shingles. We are no longer taking agricultural plastic as the vendor has gone out of business. The large wood chipper is coming next week to chip our brush pile. Discussion followed.

**Operation Report**

We are planning to spread garbage compost next week. Casey explained to the committee that we take a soil sample of the land before we spread and also we take a sample of the compost being spread. Discussion followed.

**Next Meeting Date**

The next Solid Waste Committee meeting will be Tuesday, October 12th at 9:00 a.m.

Motion made to adjourn Solid Waste Committee meeting at 9:47 a.m. by Sleger, second by Baebler. Motion carried.
