

# HIGHWAY SAFETY COMMITTEE MEETING MINUTES

Columbia County Law Enforcement Center, John Roche Community Room

Friday, August 13, 2004

9:00 a.m.

Members Present: Darrell Parker, Jeffery Zuzunaga, Jillene Fehrman, Jerry Smith, JoAnn Wingers, Kurt Dey, Robert Andler, Pat Beghin

Meeting Called to Order:

At approximately, 9:00 a.m., we did attempt to begin the Columbia County Highway Safety Committee meeting. It was apparent at 9:00 a.m. that we did not have an adequate number of people for the meeting. Some concerns were brought up about the fact that the past meetings had been held at 9:30 a.m. and some people may have been confused on the time. We did subsequently wait until 9:30 a.m. when a number of other members did show up, but still lacked the quorum for the meeting where we needed at least nine people for a quorum to begin the meeting. We were only able to have eight people show up at the time. Due to the lack of quorum, we did wait until approximately 10:00 a.m., with no other members showing up, we did call the meeting at that time, and rescheduled it for the November 12, 2004 at 9:30 a.m. for the next meeting of the Highway Safety Committee.
