STANDING RULES. All meetings associated with the County Board shall be conducted under Robert's Rules of Order, the Newest Revised Edition, except as specifically stated in this document. The following are the Standing Rules of the Columbia County Board of Supervisors.

RULE 1. BOARD MEETINGS.

In the event the Chair is unavailable to preside over a meeting of the Board, the First Vice Chair shall preside. In the event the First Vice Chair is unavailable, the Second Vice Chair shall preside.

(1) **ORGANIZATIONAL MEETING.** The Board shall meet on the third Tuesday of each April to organize and transact business. At the Organizational Meeting held in April on even numbered years, the County Board Chair, First Vice Chair, Second Vice Chair, and two Executive Committee members shall be elected as prescribed under Board election procedures. The Standing Rules for the current session of the Board shall be adopted, with consideration of any proposed amendments postponed to a future date certain, pursuant to the requirements of Rule 15 and Rule 25(3)(i). Standing Committee appointments and other committee appointments as appropriate shall be made by the County Board Chair subject to Executive Committee approval, consistent with Rule 24(5). Subsequent to the Organizational Meeting in even-numbered years, any updates or changes to Standing Committee appointments, and other committee appointments as appropriate, including without limitation removal of an appointed member from a committee, shall likewise be made by the Chair, subject to Executive Committee approval.

(2) **ANNUAL MEETING.** The Board shall hold an annual meeting on the Tuesday after the second Monday of November to address the regular monthly agenda and conduct the annual budget hearing. When the day of the meeting falls on November 11 (Veteran's Day), the meeting shall be held on the next succeeding day.

(3) **REGULAR MEETINGS.** The Board shall hold its regular meetings on the third Wednesday of the month, except when Wisconsin Statutes establish the meeting date. The date of the meeting may be changed by a majority vote of the Board. The Board shall meet monthly, unless the County Board Chair decides that a meeting is unnecessary provided however that the Board Chair shall not cancel two consecutive meetings.

(4) **SPECIAL AND EMERGENCY MEETINGS.** A special meeting of the Board shall be convened in

accordance with Wis. Stat. § 59.11(2), upon a written request of a majority of the members is delivered to the Clerk, specifying the time and place of the meeting. In addition, the Board Chair may convene the Board in a "declared emergency" using the procedures defined by Chapter 2 of the County Code of Ordinances.

(5) **FULL BOARD MEETING DISTRIBUTION MATERIALS.** The County Clerk's Office is responsible for compiling and distributing the materials that will be considered at the full board meetings to the County Board members. Any member of the public who wishes to distribute any additional materials at or before the full Board meeting, shall obtain the County Board Chair's approval and shall supply thirty (30) copies of those materials to the County Clerk.

(6) **MEETING HOUR.** The hour for the meeting of the Board shall be 6:00 p.m., except for the annual November budget meeting and biennial April Organizational Meeting, which shall commence at 9:00 a.m., consistent with Rules 1(1) and 1(2) herein. The Clerk shall note the time of calling of the meetings in the minutes.

(7) **MEMBER ROLL CALL.** Whenever the Board convenes or reconvenes, the Clerk shall make a roll call of the members to establish a quorum. A roll call shall not be required after a recess of 15 minutes or less. All roll call attendance records of each member shall be recorded in the minutes and printed with the annual proceedings of the Board. Any late-attending member shall make their presence known to the Clerk at the first opportune time, in order to be recorded present. In the event any member will be absent for all or a significant portion of a meeting, it shall be necessary to provide the Chair with prior notice. The minutes shall reflect whether an absent member notified the Chair in advance of the meeting. Electronic voting technology may be used for purposes of calling the role.

Any public input section shall not be permitted during any closed session discussion, pursuant to Wis. Stat. § 19.85(1).

(10) **SESSION.** A session of the Board shall commence at the Organizational Meeting held in even-numbered years and continue until the Organizational Meeting held in the next succeeding even-number year.

RULE 2. ADDRESSING THE COUNTY BOARD.

(1) Every member shall address himself/herself to the Chair when speaking.

(2) When two or more members wish to be recognized, the Chair shall designate who shall speak first.

(3) No member shall speak more than twice on the same subject or question without permission from the Chair. A member may only speak for a cumulative total of 10 minutes on a particular motion unless the Chair grants additional time.

(4) A member called to order by the Chair, shall immediately relinquish the floor. The Board, if appealed to, shall decide the case. If there is no appeal, the decision of the Chair shall be final.

(5) Public Input shall be limited to topics related to county government and a person may only speak for 5 minutes. This time limit may be adjusted as the Chair deems appropriate. Any member of the public providing input shall state their name and municipality before speaking.

RULE 3. MOTIONS.

(1) All motions must be presented by a Board member.

(2) No motion shall be debated by the Board unless it is seconded. It shall be restated by the Chair before debate and restated by the Chair again before voting occurs. Lengthy or complicated motions must be presented to the Clerk in writing after receiving a second.

(3) After a motion is initially restated by the Chair, it shall be considered in possession of the Board. All motions, resolutions, and amendments shall be recorded in the minutes.

(4) When a motion is being debated, no other motion shall be made except to lay on the table; to limit or extend limits of debate; to postpone to a date certain; to refer; to amend; or to postpone indefinitely. These motions shall require a majority vote to pass, except a motion to stop debate and

vote immediately and a motion to limit debate, which shall require a two-thirds vote.

(5) The motion to adjourn shall always be in order. This shall be decided without debate and shall require a two-thirds vote to pass. If the question under debate contains several points, any member may move to have it divided.

(6) All County Board votes shall be of the members present unless specified to be of the full membership of the Board.

RULE 4. REPORTS.

(1) A committee report shall be a written or oral statement of the committee's position with respect to a particular issue or issues on the agenda. If a written report is provided by the committee, it shall be included with the mailing of the monthly Board agenda prior to the meeting. Reports may be summarized orally or read aloud at the Board meeting. These reports will be accepted into the record, noted in the monthly minutes, and filed. If a Board member objects to a committee report, the objection will be noted in the monthly minutes.

(2) Annual reports shall be submitted yearly by the committees and included with the distribution of the monthly Board agenda prior to the meeting. At the Board meeting the committee chair or another member of the committee may be called upon to provide background information and to explain the committee's recommendation.

(3) Any final reports from ad hoc committees shall be written and recorded in the Board minutes by the Clerk.

(4) Notwithstanding sub. (1), above, the Board Chair may place on the Board agenda an item for a written or verbal informational update report from any committee regarding any topic before that committee.

RULE 5. RESOLUTIONS AND ORDINANCES.

(1) The Chair, after consultation with the Corporation Counsel, will determine which contractual arrangements require Board approval.

(2) Compensation plans for all County employees shall be presented to the Finance Committee by the Human Resources Committee. After Finance

Committee approval, they are subject to Board approval.

(3) Budget Resolution.

(a) The resolution to adopt the budget shall require a majority vote.

(b) Any proposed budget amendment should be submitted to the Comptroller at least one week in advance of the meeting scheduled to adopt the budget, to provide the Accounting Department adequate time to prepare a cost estimate.

(c) Any proposed amendments to the budget resolution shall require a majority vote. If any proposed amendment to the original resolution requires a fiscal change that increases the proposed budget, the motion for the amendments shall include a funding source to account for the increase in the budget. Accounting shall also provide the full Board with the cost estimate of the increase for any proposed amendment that increases the proposed budget, which shall be recorded in the minutes before the Board votes on that amendment.

(4) Process.

(a) A resolution, petition, or motion submitted by a member or members not constituting a committee will be read and referred to the appropriate committee by the Chair at their discretion.

(i) The committee shall present an oral or written report of its conclusions if the item is not returned to the Board for its consideration.

(b) Notwithstanding sub. (a), the Board may take a resolution, petition, or motion from a committee that has not been passed by a majority committee vote. In addition, the Board, by majority vote, may reject or stop any action made by a committee.

(5) All proposed resolutions and/or ordinances shall:

(a) Be drafted and/or reviewed by the Corporation Counsel before being placed on an agenda. All requests for review or drafting of resolutions and ordinances must be received by Corporation Counsel 48 hours prior to the

Thursday of the week preceding the meeting to allow sufficient time for compliance with open meetings laws. If a request is received after this deadline, every effort will be made to fulfill the request before the open meetings deadline.

(b) Be submitted to the Board only by Board members or committees.

(c) Indicate at the top a brief synopsis and the name of the committee introducing the document to the Board.

(d) Be numbered on each line and page of the document.

(e) Contain a fiscal note explaining the budgetary effect of the proposed action. The fiscal note, if there is one, shall be referred to the Finance Committee for the Committee's recommendation to the Board.

(f) Be submitted in writing to the Clerk by 12:00 noon on the Thursday before the Board meeting date, unless the Clerk requests an earlier delivery date or time.

(g) If a proposed resolution or ordinance is submitted after the above deadline, it will only be considered if deemed urgent by the Chair. Any resolution or ordinance that is not included in the posted agenda may be placed on the agenda if the media and public are provided notice of such addition more than twenty-four hours in advance if it is not an emergency or more than two hours in advance if it is an emergency. Any resolution added in the manner described in this subsection may be considered by the Board unless objected to, in which case a majority vote will be required for consideration.

(6) Resolutions and ordinances shall require a majority Board vote unless otherwise specified. After adoption, resolutions shall be signed by a majority of the members of the submitting committee, and ordinances shall be signed by the Board Chair and County Clerk after adoption. A committee member who disagrees with the resolution shall sign the resolution and then strike through their signature to indicate their disagreement.

(7) Resolutions and ordinances shall be taken up in the order in which they are presented, unless otherwise

ordered by the Chair. If there is no objection from the Board members present, the reading of any proposed resolution or ordinance may be waived by the Chair and be referred to by title only provided that a written copy of said resolution or ordinance has been made available to all members at least twenty-four hours prior to the Board meeting.

(8) An ordinance or resolution may be amended at any time prior to its being adopted by the Board.

(9) Amendments shall be germane to the primary subject of the resolution or ordinance.

(10) Upon the adoption of an ordinance, resolution, or other motion affecting any County department, officer, or official, or any town, city, or village, the Clerk shall immediately thereafter transmit a copy of the same to the County department, officer, or official affected, and for the local municipalities shall transmit a copy of the same to the clerk of the affected municipality.

RULE 6. TRANSFERS FROM EQUITY ACCOUNTS.

(1) Transfers from the Highway and Transportation Department or Columbia Health Care Center unreserved equity for the purpose of expending non-budgeted items must have the oversight committee and County Board approval by a two-thirds vote of the entire membership of the Board if for a total aggregate amount of $50,000 or more annually.

(2) Resolutions to make transfers from the General Fund or the Contingency Fund shall be referred to the Finance Committee for its recommendation back to the Board and shall require a two-thirds vote of the entire membership of the Board to obtain passage, pursuant to Wis. Stat. § 65.90(5)(a).

RULE 7. REQUESTS FOR PROPERTY TAX FUNDING OF PROGRAMS.

Any County program that has been historically 100% funded through an outside funding source (grant, user fees, etc.) and now requires an input of County tax dollars, or any program starting that requires County funding, must be approved by the County Board via a specific resolution. The fiscal note must clearly show the increase in County taxes and be reviewed by the Finance Committee prior to presentation at the County Board.

RULE 8. POLICY FOR GRANT APPROVAL.
New grants larger than $50,000, that are not part of the annual budget process, due to timing, must be accepted by the County Board.

RULE 9. NON-DESIGNATED STATE & FEDERAL NEW DOLLARS.
All State and Federal new dollars, awarded to the County and not designated to a specific department, must have County Board approval for expenditures totaling $50,000 or more (annually).

RULE 10. RECORDING MOTIONS AND SECONDS.
In all cases where an ordinance, resolution, or motion shall be entered into the Board minutes, the name of the member moving the same, and the name of the member seconding shall be entered into the minutes.

RULE 11. VOTING AND ELECTIONS.

(1) **COUNTY BOARD VOTING.**
- (a) Voting by the County Board shall be by voice vote, electronic vote, or oral roll call vote, if one is requested by any member, the County Clerk, or Corporation Counsel.
- (b) In the event of an oral roll call vote, the Chair's vote shall be recorded last.
