**STANDING RULES.** All meetings associated with the County Board shall be conducted under Robert’s Rules of Order, the Newest Revised Edition, except as specifically stated in this document. The following are the Standing Rules of the Columbia County Board of Supervisors.

**RULE 1. BOARD MEETINGS.**

In the event the Chair is unavailable to preside over a meeting of the Board, the First Vice Chair shall preside. In the event the First Vice Chair is unavailable, the Second Vice Chair shall preside.

- (1) **ORGANIZATIONAL MEETING.** The Board shall meet on the third Tuesday of each April to organize and transact business. At the organizational meeting held in April on even numbered years, the County Board Chair, its First Vice Chair, Second Vice Chair and two Executive Committee members shall be elected as prescribed under Board election procedures by a majority vote of the members present. The Standing Rules for the current session of the Board shall be adopted by a majority vote. Committee appointments shall be made by the County Board Chair.
- (2) **ANNUAL MEETING.** The Board shall hold an annual meeting on the Tuesday after the second Monday of November to address the regular monthly agenda and conduct the annual budget hearing. When the day of the meeting falls on November 11 (Veteran’s Day), the meeting shall be held on the next succeeding day.
- (3) **REGULAR MEETINGS.** The Board shall hold its regular meetings on the third Wednesday of the month, except when Wisconsin Statutes establish the meeting date. The date of the meeting may be changed by a majority vote of the Board. The Board shall meet monthly, unless the Executive Committee decides by a two-thirds vote that a meeting is unnecessary.
- (4) **SPECIAL AND EMERGENCY MEETINGS.** A special meeting of the Board shall be convened in accordance with Wis. Stats. § 59.11 (2), upon a written request of a majority of the supervisors delivered to the Clerk, specifying the time and place of the meeting. In addition, the Board Chair may convene the Board in a “declared emergency” using the procedure defined by Chapter 2 of the County Code of Ordinances.
- (5) **FULL BOARD MEETING DISTRIBUTION MATERIALS.** The County Clerk’s Office is responsible for compiling and distributing to County Board Supervisors the materials that will be

discussed and voted upon at the full board meetings. If someone wishes to distribute any additional materials at or before the full board meeting, they shall obtain the County Board Chair's approval and those materials shall be provided to the County Clerk. The person providing the additional materials shall supply thirty (30) copies to the County Clerk.

- (6) **MEETING HOUR.** The hour for the morning meeting of the Board shall be 9:00 a.m., and afternoon sessions following recess or adjournment shall meet at 1:30 p.m., unless otherwise ordered. During the months of May through October, the Board shall commence its meeting at 7:00 p.m. The Clerk shall note the time of calling of the meetings in the minutes.
- (7) **MEMBER ROLL CALL.** Whenever the Board convenes or reconvenes, the Clerk shall make a roll call of the members to establish a quorum. A roll call shall not be required if the recess is 15 minutes or less. All roll call attendance records of each Supervisor shall be recorded in the minutes and printed with the annual proceedings of the Board. Any Supervisor who is not present for roll calls shall at the first opportune time, in order to be recorded present, make his/her presence known to the Clerk. In the event any member is going to be absent for all or a portion of a session, it shall be necessary to inform the Chair. The minutes shall reflect whether an absent member notified the Chair in advance of the meeting.
- (8) **ORDER OF BUSINESS.** The regular order of business, which is subject to the discretion of the Chair, shall be as follows:
- (a) Roll call.
  - (b) Pledge of Allegiance.
  - (c) Approval of the printed journal unless otherwise ordered.
  - (d) Approve agenda and any changes thereto in compliance with open meeting law requirements under Wis. Stats. §§ 19.81 through 19.98.
  - (e) Claims and petitions.
  - (f) Communications/Public Input on agenda and non-agenda topics.
  - (g) Committee reports.

- (h) Appointments.
  - (i) Union Contract ratification.
  - (j) Resolutions to be considered and resolved.
  - (k) Consideration of proposed ordinances.
  - (l) Consideration of other business on the table.
  - (m) Requests for future agenda items.
  - (n) Motion to Adjourn. (Requires approval by a majority voice vote of the members present.)
  - (o) On the day set for the adoption of the budget, the budget shall be considered immediately following “Appointments” during the morning session.
  - (p) On the last day of the current session, a reading and correcting of the journal of the day shall be done immediately prior to the final adjournment.
- (9) **MEETING AGENDAS.** The County Board Chair shall establish the agenda for County Board meetings. Committee Chairs shall establish the agenda for their Committee meetings, subject to review and approval by the County Board Chair. However, the County Board or any Committee may, by majority vote, place an item on the agenda for a future meeting designated by the motion. All meeting agendas shall include an agenda item titled “Public Input” to ensure the public can participate in any open meeting. Any public input section shall not be permitted during any closed session discussion, pursuant to Wis. Stats. § 19.85(1).

**RULE 2. ADDRESSING THE COUNTY BOARD.**

- (1) Every member, prior to speaking, shall address himself/herself to the Chair.
- (2) When two or more members wish to be recognized, the Chair shall designate who shall speak first.
- (3) No member shall speak more than twice on the same subject or question without approval of the Chair. A member may only speak for a total of 10 minutes or 5 minutes twice on a particular motion. **RULE 26. RELATIONSHIP BETWEEN COUNTY BOARD SUPERVISORS AND DEPARTMENT HEADS.**

- (1) Department heads serve in the top leadership role for their departments and are responsible for administering various programs and services to County residents. Department heads are appointed, with the exception of elected officials who serve as a department head within the term limit proscribed to their office.
- (2) In the event that a County department head position becomes vacant and it is not an elected position, the hiring process to fill that position shall follow the Uniform Selection and Replacement process, as enumerated in the Personnel Manual. The recommendation for the replacement from the Interview Committee must be approved by a majority vote of the Executive Committee before

becoming final. For the positions of Comptroller/Auditor, Corporation Counsel, Health and Human Service Director, Highway Commissioner, and Veteran Services' Officer, a majority vote of the full Board is required for approval and shall be consistent with applicable State statutes.

- (3) The removal of a department head, with the exception of elected officials and those enumerated in sub. (2), shall be effectuated through the following process:
- (a) The process for the removal of a department head may originate from the governing committee, Human Resources Committee and/or the Executive Committee.
  - (b) If the Human Resources Director determines that there are circumstances that would make the dismissal of a Department Head justified, the Human Resources Director may present all credible information to the Human Resources Committee and/or the Executive Committee, in a closed session.
  - (c) The removal of a department head shall be passed by a majority vote from the Human Resources Committee and/or the Executive Committee.
  - (d) If the Human Resources Committee determines that the removal of a department head is justified, the Executive Committee shall have superseding authority and can overturn the decision made by Human Resources Committee.
  - (e) Once the decision to remove a department head has been made, the County Board Chair and the Human Resources Director shall sign a termination letter. The dismissal becomes effective immediately upon delivery of the termination letter, via in-person delivery, or electronic format in situations where the department head is not available to receive the letter in-person.

**RULE 27. RELATIONSHIP BETWEEN COUNTY BOARD SUPERVISORS AND COUNTY EMPLOYEES.**

In order for County government to be successful, County Board Supervisors and County employees must have a positive and professional working relationship. To that end:

- (1) Board members may submit a written request, consistent with Corporation Counsel approval, to any department head for information related to that department's job functions, programs, and any other such information or data pertinent to County government. Exceptions to what Board members may request include, but are not limited to, personal information about County employees or other similar information of a sensitive nature, as determined by the Human Resources Department.
- (2) All written requests for information must also be submitted to the Human Resources Director and the County Board Chair.
- (3) Department heads shall respond to any County Board Supervisor's legitimate request for information as soon as is reasonably possible.
- (4) If the requested information cannot be provided to the County Board Supervisor within a reasonable time frame, the department head shall contact the County Board Supervisor, the County Board Chair, the Corporation Counsel, and the Human Resources Director outlining the reasons for the delay and offer a timeline for when the information will be provided. If the department head cannot provide the requested information, they shall provide their reason, in writing, to the County Board Supervisor, the County Board Chair, the Corporation Counsel, and the Human Resources Director.
- (5) If the County Board Supervisor is not satisfied with the reasons for denial, the County Board Supervisor may request assistance from the County Board Chair to receive the requested information, or the County Board Supervisor may appeal to Human Resources Committee and/or the Executive Committee for additional action. If either Committee chooses to act, the acting Committee shall inform the other Committee of their decision. The Executive Committee shall have superseding authority and can overturn any decision made by Human Resources Committee on this issue.

- (6) If a County department head does not fulfill the County Board Supervisor's request, that County department head may be disciplined by the Human Resources Department. The Human Resources Department is required to notify the requesting County Board Supervisor, the County Board Chair, and the Human Resources Committee that the issue has been appropriately addressed with the department head.
- (7) County Board Supervisors shall not harass County employees. Any County employee experiencing harassment, as defined in the Employee Handbook, shall contact the Human Resources Department. The Human Resources Department shall document any harassment complaint against any County Board Supervisor. The Human Resources Department shall notify the County Board Chair of the alleged harassment complaint. If the County Board Chair is the person alleged in the harassment complaint, the Human Resource Department shall notify the First and Second Vice Chair, as well as the Human Resources Committee Chair.
- (8) The Executive Committee has primary jurisdiction over any alleged harassment complaint against a current County Board Supervisor. In the event that a member of the Executive Committee has a County Board Supervisor that is the subject of the alleged harassment complaint, or the County Board Chair does not bring the action before the Executive Committee, the Human Resources Department may refer the complaint to the Human Resources Committee Chair and then the Human Resources Committee shall hear and act on the complaint. In the event that the County Board Supervisor against whom the complaint has been filed is on the Human Resources Committee, the County Board Supervisor shall then recuse themselves from the meeting. A County Board Supervisor against whom a complaint has been filed is prohibited from viewing or obtaining a copy of the harassment complaint.
- (9) The disciplinary actions that may be considered in response to a valid complaint for harassment, include but are not limited to: the removal of any or all committee appointments, reprimand, and/or censure.

- (10) If a County Board Supervisor is removed from all committee appointments as a result of the disciplinary action of harassment, Rule 24 (2) requirement of “every member of the Board, except the Chair, shall be appointed to at least one standing committee initially and may be appointed to more than one such committee,” is rescinded to this particular County Board Supervisor.
- (11) If a County Board Supervisor is reprimanded or censured for harassment, that supervisor shall immediately be removed and permanently banned from all leadership positions while serving on the County Board. Leadership positions include the County Board Chair, First Vice Chair, Second Vice Chair, Committee Chair, Committee Vice Chair, and Committee Secretary.
