STANDING RULES. All meetings associated with the County Board shall be conducted under Robert's Rules of Order, the Newest Revised Edition, except as specifically stated in this document. The following are the Standing Rules of the Columbia County Board of Supervisors.

RULE 1. BOARD MEETINGS.

In the event the Chair is unavailable to preside over a meeting of the Board, the First Vice Chair shall preside. In the event the First Vice Chair is unavailable, the Second Vice Chair shall preside.

- (1) **ORGANIZATIONAL MEETING.** The Board shall meet on the third Tuesday of each April to organize and transact business. At the organizational meeting held in April on even numbered years, the County Board Chair, its First Vice Chair, Second Vice Chair and two Executive Committee members shall be elected as prescribed under Board election procedures by a majority vote of the members present. The Standing Rules for the current session of the Board shall be adopted by a majority vote. Committee appointments shall be made by the County Board Chair.
- (2) **ANNUAL MEETING.** The Board shall hold an annual meeting on the Tuesday after the second Monday of November to address the regular monthly agenda and conduct the annual budget hearing. When the day of the meeting falls on November 11 (Veteran's Day), the meeting shall be held on the next succeeding day.
- (3) **REGULAR MEETINGS.** The Board shall hold its regular meetings on the third Wednesday of the month, except when Wisconsin Statutes establish the meeting date. The date of the meeting may be changed by a majority vote of the Board. The Board shall meet monthly, unless the Executive Committee decides by a two-thirds vote that a meeting is unnecessary.
- (4) **SPECIAL AND EMERGENCY MEETINGS.** A special meeting of the Board shall be convened in accordance with Wis. Stats. § 59.11 (2), upon a written request of a majority of the supervisors delivered to the Clerk, specifying the time and place of the meeting. In addition, the Board Chair may convene the Board in a "declared emergency" using the procedure defined by Chapter 2 of the County Code of Ordinances.
- (5) **FULL BOARD MEETING DISTRIBUTION MATERIALS.** The County Clerk's Office is responsible for compiling and distributing to County Board Supervisors the materials that

will be discussed and voted upon at the full board meetings. If someone wishes to distribute any additional materials at or before the full board meeting, they shall obtain the County Board Chair's approval and those materials shall be provided to the County Clerk. The person providing the additional materials shall supply thirty (30) copies to the County Clerk.

- (6) **MEETING HOUR.** The hour for the morning meeting of the Board shall be 9:00 a.m., and afternoon sessions following recess or adjournment shall meet at 1:30 p.m., unless otherwise ordered. During the months of May through October, the Board shall commence its meeting at 7:00 p.m. The Clerk shall note the time of calling of the meetings in the minutes.
- (7) **MEMBER ROLL CALL.** Whenever the Board convenes or reconvenes, the Clerk shall make a roll call of the members to establish a quorum. A roll call shall not be required if the recess is 15 minutes or less. All roll call attendance records of each Supervisor shall be recorded in the minutes and printed with the annual proceedings of the Board. Any Supervisor who is not present for roll calls shall at the first opportune time, in order to be recorded present, make his/her presence known to the Clerk. In the event any member is going to be absent for all or a portion of a session, it shall be necessary to inform the Chair. The minutes shall reflect whether an absent member notified the Chair in advance of the meeting.
- (8) **ORDER OF BUSINESS.** The regular order of business, which is subject to the discretion of the Chair, shall be as follows:
 - (a) Roll call.
 - (b) Pledge of Allegiance.
 - (c) Approval of the printed journal unless otherwise ordered.
 - (d) Approve agenda and any changes thereto in compliance with open meeting law requirements under Wis. Stats. §§ 19.81 through 19.98.
 - (e) Claims and petitions.
 - (f) Communications/Public Input on agenda and non-agenda topics.

- (g) Committee reports.
 - (h) Appointments.
 - (i) Union Contract ratification.
 - (j) Resolutions to be considered and resolved.
 - (k) Consideration of proposed ordinances.
 - (l) Consideration of other business on the table.
 - (m) Requests for future agenda items.
 - (n) Motion to Adjourn. (Requires approval by a majority voice vote of the members present.)
 - (o) On the day set for the adoption of the budget, the budget shall be considered immediately following "Appointments" during the morning session.
 - (p) On the last day of the current session, a reading and correcting of the journal of the day shall be done immediately prior to the final adjournment.
- (9) **MEETING AGENDAS.** The County Board Chair shall establish the agenda for County Board meetings. Committee Chairs shall establish the agenda for their Committee meetings, subject to review and approval by the County Board Chair. However, the County Board or any Committee may, by majority vote, place an item on the agenda for a future meeting designated by the motion. All meeting agendas shall include an agenda item titled "Public Input" to ensure the public can participate in any open meeting. Any public input section shall not be permitted during any closed session discussion, pursuant to Wis. Stats. § 19.85(1).

RULE 2. ADDRESSING THE COUNTY BOARD.

- (1) Every member, prior to speaking, shall address himself/herself to the Chair.
- (2) When two or more members wish to be recognized, the Chair shall designate who shall speak first.
- (3) No member shall speak more than twice on the same subject or question without approval of the Chair. A member may only speak for a total of 10 minutes or 5 minutes twice on a particular motion. If a member wishes to only inquire for informational purposes that will engage in questions and answers, then a

member may take a total of 14 minutes or 7 minutes twice on a particular motion.

- (4) A member called to order by the Chair, shall immediately relinquish the floor. The Board, if appealed to, shall decide the case. If there is no appeal, the decision of the Chair shall be submitted.
- (5) Any person who is not a member of the Board who desires to address the Board on an agenda item, must first receive the approval of a Board member. The member will then request that the Chair recognize that he/she is relinquishing time to the nonmember to speak. The member thereafter forfeits one of his/her rights to further address the subject. The non-member shall be governed by all other relevant rules of the Board and shall address only the subject before the Board.
- (6) Public Input shall be limited to agenda items or non-agenda topics related to county government and a person may only speak for 5 minutes. This time limit may be adjusted as the Chair deems appropriate.

RULE 3. MOTIONS.

- (1) All motions must be presented by a Board member.
- (2) No motion shall be debated by the Board unless it is seconded; it shall be restated by the Chair before debate. Lengthy or complicated motions must be presented to the Clerk in writing after receiving a second.
- (3) After a motion is restated by the Chair, it shall be deemed to be in possession of the Board. All motions, resolutions, and amendments shall be entered at large upon the journal.
- (4) When a motion is being debated, no other motion shall be made except to lay on the table, to adjourn for the previous question(s), to limit or extend limits of debate, to postpone to a day certain, to refer, to amend, and to postpone indefinitely; these several motions shall have precedence in the order in which they are stated above.
- (5) The motion to adjourn shall always be in order; that and the motion to lay on the table shall be decided without debate.

- (6) If the question under debate contains several points, any member may move to have it divided.

RULE 4. REPORTS.

- (1) A committee report shall be a written or oral statement of the committee's position with respect to a particular issue or issues on the agenda. If a written report is provided by the committee, it shall be included with the mailing of the monthly Board agenda prior to the meeting. Reports may be presented orally or read from a written document orally. These reports will be accepted into the record, listed in the monthly minutes, and filed if there are no objections. Annual reports shall be submitted yearly and included with the mailing of the monthly Board agenda prior to the meeting. Whether or not a written committee report is provided, the committee chair or another member of the committee may be called upon at the meeting to provide background information and to explain the committee's recommendation.
- (2) Final majority reports from ad hoc committees shall be written and shall be recorded in the Board Minutes by the Clerk. A minority report may be filed in a like manner.
- (3) Notwithstanding sub. (1), above, the Board Chair may schedule a written or verbal informational update report from any committee regarding any topic before the committee even if a decision item on that topic is not on the agenda.

RULE 5. RESOLUTIONS AND ORDINANCES.

- (1) The Chair, after consultation with the Corporation Counsel, will determine when contractual arrangements must be approved by the Board.
- (2) Compensation plans for all non-union county employees shall be presented by the Human Resources Committee and shall be approved by a simple majority vote of the members present.
- (3) The resolution to adopt the budget shall require a two-thirds vote of the members present at the meeting. Any proposed

amendments to the budget resolution shall require a majority vote of the members present at the meeting to pass. If any proposed amendments to the original resolution necessitates a fiscal change that increases the proposed budget, the motion for the amendments shall include a funding source to account for the increase in the budget. Accounting shall also provide the full board with the cost estimate of the total increase for any proposed amendment that includes a financial increase to the proposed budget, in writing, before the full board votes on that amendment.

- (4) Resolutions to make transfers from the General Fund or the Contingency Fund shall be referred to the Finance Committee for its recommendation back to the Board, and shall require a two-thirds vote of the entire membership of the Board to obtain passage, pursuant to Wis. Stats. § 65.90 (5)(a).
- (5)
 - (a) A resolution, petition, or motion submitted by a member or members not constituting a committee shall be read and referred to the appropriate committee by the Chair.
 - (b) Resolutions, petitions, or motions submitted by non-members shall be presented through a member for referral to an appropriate committee.
 - (c) If not returned for Board consideration, the committee shall present an oral or written report of its conclusions.
 - (d) Notwithstanding sub. (c), the full Board may take a resolution, petition, or motion from a committee that has not been considered by a majority vote. In addition, the full Board by majority vote may reject or stop any action made by a committee. If the motion passes, the resolution, petition, motion, or action from that committee will automatically be placed on the full County Board meeting agenda for consideration at the next scheduled meeting.
- (6) Resolutions and/or ordinances shall:
 - (a) Be submitted by Board members or committees only.

- (b) Indicate at the top a brief synopsis and the name of the committee introducing the document to the Board.
 - (c) Be numbered on each line and page of the document.
 - (d) Contain a fiscal note explaining the budgetary effect of the proposed action, if applicable. The fiscal note shall be referred to the Finance Committee for its recommendation.
 - (e) Be submitted in writing to the Clerk by 12:00 noon on the Thursday before the Board meeting date, unless the Clerk requests an earlier delivery date or time, and to the Corporation Counsel for review at the same time as distributed to members.
 - (f) Be considered, if submitted after the above deadline, only if deemed urgent by the Chair. Any resolution that is not included in the agenda may be placed on the agenda if the media and public have been noticed of such addition more than twenty-four hours in advance if it is not an emergency or more than two hours in advance if it is an emergency. Any resolution added in the above manner may be considered by the Board unless objected to, in which case a two-thirds majority of members present will be required for consideration.
- (7) Resolutions submitted to the Board for adoption shall be signed by a majority of the members of the submitting committee and ordinances shall be signed by the Chair and Clerk after adoption.
- (8) Resolutions and ordinances shall be taken up in the order in which they are presented, unless otherwise ordered by the Chair. If there is no objection from the Board members present, the reading of any proposed resolution or ordinance may be waived by the Chair and be referred to by title only provided that all members have received a written copy of said resolution or ordinance at least twenty-four hours prior to the Board meeting. An ordinance or resolution may be amended at

any time prior to its being adopted by the Board.

- (9) Amendments offered shall be germane to the primary subject of the resolution or ordinance.
- (10) Resolutions and ordinances may be passed or adopted at a single meeting of the Board. Upon the reading of a resolution or an ordinance, one of two motions must be made by a member of the Board of Supervisors:
 - (a) To approve; or
 - (b) To postpone to a date certain.
- (11) Upon the passage of an ordinance, motion, or resolution affecting any County department, officer, or official, or any town, city or village, the Clerk shall immediately thereafter transmit a copy of the same to the County department, officer or official affected, and for the local municipalities shall transmit a copy of the same to the clerk of the affected municipality.

RULE 6. TRANSFERS FROM EQUITY ACCOUNTS.

Transfers from the Highway and Transportation Department or Health Care Center unreserved equity for the purpose of expending non-budgeted items must have the oversight committee and County Board approval for a total aggregate amount of \$50,000 or more (annually).

Any transfer from other non-designated equity accounts must have County Board approval.

RULE 7. REQUESTS FOR PROPERTY TAX FUNDING OF PROGRAMS.

Any County program that has been historically 100% funded through an outside funding source (grant, user fees, etc.) and now requires an input of County tax dollars, or any program starting that requires County funding, must be approved by the County Board via a specific resolution. The fiscal note must clearly show the increase in County taxes, and be reviewed by the Finance Committee prior to presentation at the County Board.

RULE 8. POLICY FOR GRANT APPROVAL.

If either Committee chooses to act, the acting Committee shall inform the other Committee of their decision. The Executive Committee shall have superseding authority and can overturn any decision made by Human Resources Committee on this issue.
- (6) If a County department head does not fulfill the County Board Supervisor's request, that County department head may be disciplined by the Human Resources Department. The Human Resources Department is required to notify the requesting County Board Supervisor, the County Board Chair, and the Human Resources Committee that the issue has been appropriately addressed with the department head.
- (7) County Board Supervisors shall not harass County employees. Any County employee experiencing harassment, as defined in the Employee Handbook, shall contact the Human Resources Department. The Human Resources Department shall document any harassment complaint against any County Board Supervisor. The Human Resources Department shall notify the County Board Chair of the alleged harassment complaint. If the County Board Chair is the person alleged in the harassment complaint, the Human Resource Department shall notify the First and

Second Vice Chair, as well as the Human Resources Committee Chair.

- (8) The Executive Committee has primary jurisdiction over any alleged harassment complaint against a current County Board Supervisor. In the event that a member of the Executive Committee has a County Board Supervisor that is the subject of the alleged harassment complaint, or the County Board Chair does not bring the action before the Executive Committee, the Human Resources Department may refer the complaint to the Human Resources Committee Chair and then the Human Resources Committee shall hear and act on the complaint. In the event that the County Board Supervisor against whom the complaint has been filed is on the Human Resources Committee, the County Board Supervisor shall then recuse themselves from the meeting. A County Board Supervisor against whom a complaint has been filed is prohibited from viewing or obtaining a copy of the harassment complaint.
- (9) The disciplinary actions that may be considered in response to a valid complaint for harassment, include but are not limited to: the removal of any or all committee appointments, reprimand, and/or censure.
- (10) If a County Board Supervisor is removed from all committee appointments as a result of the disciplinary action of harassment, Rule 24 (2) requirement of "every member of the Board, except the Chair, shall be appointed to at least one standing committee initially and may be appointed to more than one such committee," is rescinded to this particular County Board Supervisor.
- (11) If a County Board Supervisor is reprimanded or censured for harassment, that supervisor shall immediately be removed and permanently banned from all leadership positions while serving on the County Board. Leadership positions include the County Board Chair, First Vice Chair, Second Vice Chair, Committee Chair, Committee Vice Chair, and Committee Secretary.
