Welcome to Our Resource Guide!

This guide is designed to provide helpful resources for older adults and individuals with disabilities. While we strive to offer up-to-date information, please note that we do not specifically endorse any of the listed resources. Our goal is to offer a comprehensive starting point for you to explore options that best meet your needs.

To make the guide more accessible, we have broken it down into individual sections. This allows you to find the information you are looking for without feeling overwhelmed by the full scope of resources available. However, if you prefer to view the guide in its entirety, we also offer a complete version for your convenience.

We do our best to keep this guide current, but if you notice any information that is outdated or incorrect, we would greatly appreciate your help in letting us know. You can contact us at adrc@columbiacountywi.gov or by calling (608) 742-9233 with any updates or concerns.

Thank you for using our resource guide. We hope it provides valuable assistance.

Sincerely,
