

PUBLIC NOTICE – NONMETALLIC MINING RECLAMATION PLANS

NOTICE IS HEREBY GIVEN pursuant to Section 12.610.04 of the Columbia County Nonmetallic Mining Reclamation Ordinance that a complete application for a reclamation permit has been received by the Planning & Zoning Department for each site listed below. Please read below for a brief description of the mining and reclamation planned at the non-metallic mineral extraction site(s), for which we received a complete application for. The application(s) we believe meet the requirements of the Columbia County Non-Metallic Mining Ordinance 12.600, and Chapter NR135, WI Administrative Code. Applications and all supporting materials, including the Reclamation Plan is available in the Planning & Zoning Department office located at: 112 E. Edgewater Street, Portage, WI. If you would like to express concerns or request additional information please contact Kenneth Thiele at the Department at: 608-742-9660. The public may request a Public Informational Hearing be held within 30 days of the publication of this notice.

1. Yahara Materials, Inc. operates a site located on property owned by James C. Ballweg in Section 25, T10N, R7E, and Section 30, T10N, R8E in the Town of West Point, Columbia County, WI, Tax parcels 11040-307 & 612. The existing non-metallic mineral extraction site is requesting a modification to their reclamation plan to add additional acreage on the east side of the same site. The property is zoned A-1, Agriculture, and the final proposed land use is land for pasture.

Kurt Calkins
Director of Planning & Zoning
