A permit issued by the Planning and Zoning Department may not encompass all matters necessary to be permitted in regards to the project. It is the applicant's sole responsibility to comply with applicable law and to review whether a permit(s) from any other Federal, State, County, Town (or other Municipality), or other applicable regulatory agency may be required. In addition, all applicants should contact their Town governments to review whether any additional building or UDC permits are required.

Such includes, but is not limited to, those factual, alleged or otherwise asserted by any party, legal, monetary, or other considerations applicable to the performance, quality, sustainability or permanence, liability, timeliness, and/or legal compliance of the matter describe within the Application.

Pursuant to §59.691(3) Stats, the applicant must sign this application to indicate acknowledgement of the following, "You are responsible for complying with state and federal laws concerning construction near or on wetlands, lakes and streams". Wetlands that are not associated with open water can be difficult to identify. Failure to comply may result in removal or modification of construction that violates the law or other penalties or costs. For more information, visit the Dept. of Natural Resources web page at: <http://dnr.wi.gov/wetlands/programs.html> or contact a Dept. of Natural Resources service center.

The undersigned hereby applies for a permit to do work herein described.
