## TAXATION LIMIT

### LEVY LIMIT

Commencing in year 2006, a levy limit was enacted for all Wisconsin counties. For the 2022 Budget, this levy limit sets counties' levies at "0" percent or the percentage increase in valuation due to Net New Construction. There are exemptions for County Aid Bridge, Library payments, State Special Charges, and Debt Service. Columbia County has a net new construction rate of 1.26%.

### Computation of Allowable Levy:

<b>2021 Levy</b>		\$28,018,230
<b>Add: Increases/Decreases to Exempt Budgets</b>		
Library		0
County Aid Bridge		-24,110
State Charges		380
Debt Service		181,240
<b>Add: Net New Construction Increase</b>		283,954
<b>Add: Terminated TID</b>		9,932
<b>Add: Levy Limit Adjustment Personal Property Aid</b>		<u>-8,136</u>
<b>2022 Adopted Levy</b>		<b>\$28,461,490</b>
<b>2022 Total State Allowable Levy</b>		<b>\$28,461,490</b>

## 2022 BUDGET HIGHLIGHTS

### OVERVIEW

The Columbia County Property Tax Levy is \$28,461,490, which is an increase of \$443,260, or 2%. The mill rate will drop to 4.422%, which is a 5% decrease.

### ***Significant Factors in the 2022 Columbia County Budget:***

#### USE OF RESERVES

Due to the Levy restrictions, operational needs have exceeded available funding. The Columbia County 2022 Budget has been balanced using \$1,418,420 from the General Fund.

Budgeted Use of Reserves		
	2021	2022
General Fund	1,039,100	1,418,420
General Nonlapsing Accounts	534,100	847,510
Contingency Applied	-	175,000
HHS Nonlapsing Accounts	20,230	3,950
Debt Service Fund Equity	96,370	100,000
General Fund for Solid Waste	2,183,450	-
Health Care Center	846,910	665,690
Highway	<u>1,431,830</u>	<u>1,537,600</u>
	6,151,990	4,748,170

#### COUNTY TREASURER REVENUE

For the second year in a row, Interest on Investment Earnings has been budgeted at a decrease. This is due to very low interest rates. This increases the County tax levy.

#### RECYCLING UPGRADE PROJECT

In the 2021 budget a \$2.2 million Recycling Upgrade Project was approved. Project completion is scheduled for Spring, 2022. After installation, it is projected that the overall Solid Waste budgets will need revisions. It is expected that this project will result in greater efficiencies and lower costs.

## **HEALTH INSURANCE**

Rates increased 6%, which is an estimated total cost of \$420,000.

## **PERSONNEL**

A 3% Cost of Living Adjustment has been included for General County Employees.

The Sheriff's Sworn Union Staff also has a 2% adjustment included, based on their signed agreement.

**COUNTY LEVY & MILL RATE INFORMATION**

- ▶ See page 1 for a detailed computation of the allowable increase in levy. Net new construction is \$283,954, which is the County’s allowable levy increase.
- ▶ Equalized Valuation increased 7%.
- ▶ The County Mill Rate decreased 5%.

**SUMMARY**

The proposed Mill Rate is the lowest since 2011. This is good news for our taxpayers, especially in consideration of the recent building projects. The added debt on those is absorbed within this mill rate.

Columbia County continues to be in a strong financial condition, with favorable audits and a bond rating of Aa1.

This budget and our financial position are made possible through the dedication and skill of our employees and the management of governing committees, department heads and supervisors, and our County Board Chair.

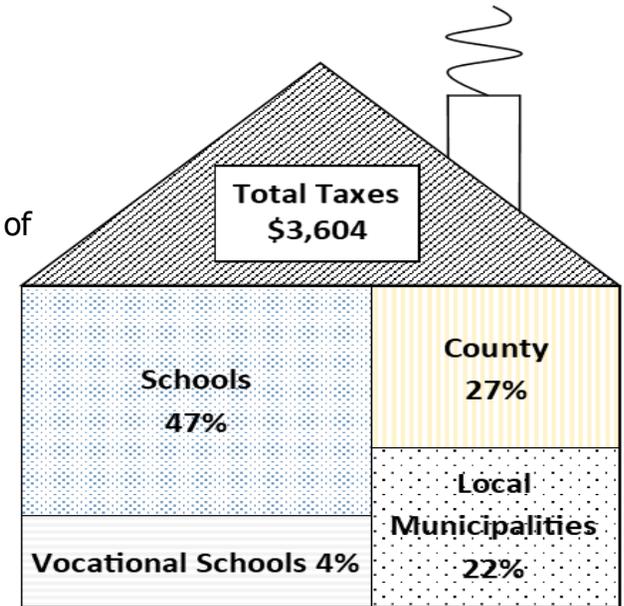

**QUICK FACTS**

Columbia County's equalized value increased 7%.

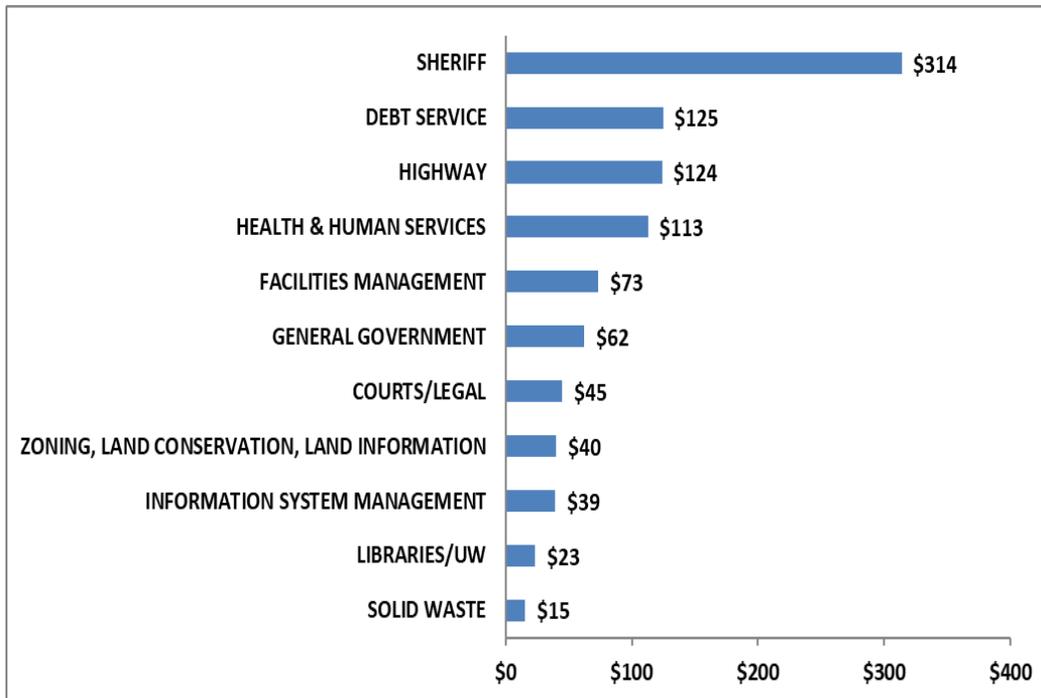

The Columbia County 2022 Property Tax Levy has an increase of \$443,260. The Tax Rate of 4.422 is 5% lower.

The average homeowner (based on historical data from the Columbia County Land Information Department) has a home assessed at \$220,242 and pays a property tax of \$3,604. Of this total, \$973 represents taxes paid to Columbia County.

# BUDGET IN DETAIL

# Columbia County Profile

Columbia County was organized in 1846, by some of the first settlers who had purchased land nearly ten years before, in an area where Poynette now stands. Villages had been sprouting up at Columbus, Dekorra and Wyocena, each of which wished to become the county seat, but it was Fort Winnebago (Portage) that was eventually chosen.

The County's early growth came at a time of poverty and political disturbance in Europe. Although the majority of its settlers were from New York, Ohio and New England, others came from overseas. Among them were citizens of Welsh, Scottish, Irish, Norwegian and German heritage.

The first railroad was built across Columbia County in 1857. Other lines followed, making Portage an important railroad center. Soon State roads, and eventually Interstate highways crisscrossed the county. In Columbia County, there are 281 State highway miles, 356 County Trunk highway miles and 1,977 miles for all roads and highways. With its abundant waterways, Columbia County steadily developed into the region's agricultural, industrial and travel hub we know today.

Present day Columbia County covers 774 square miles with 19% covered in forest land. The County also boasts 2 area hospitals, 2 local airports, 6 county parks, 10 community libraries and 22,055 acres of state-owned wildlife areas. The County contains 90 wind turbines capable of powering approximately 45,000 average residential homes.

Columbia County is governed by the Board of Supervisors representing 28 area districts. The County Clerk, Treasurer, Register of Deeds, Judges, District Attorney, Clerk of Courts, and Sheriff are elected officials.

Columbia County services are administered from 8 different County building locations. Some of the largest County Departments include the Highway Department; the Columbia County Jail, Huber Center, and Sheriff's Department; Health and Human Services; and the Columbia County Health Care Center. Other high-profile citizen service areas include Judicial Services, Child Support, Treasurer, Planning & Zoning, County Clerk, Veteran's Services and Land Information among others.

## COLUMBIA COUNTY LIBRARY BOARD

### PROGRAM DESCRIPTION:

The Columbia County Library Board provides library service to county residents by reimbursing existing municipal libraries for provision of service. A budget request is put together each year using percentages of county rural resident use and expenditures for each library in the preceding year, as documented in annual reports filed with the Wisconsin Department of Public Instruction.

The formula used is based on Wis. Stat. § 43.12.

### *Did You Know?*

"The library saved us during the COVID shutdowns...You managed to stay open or give us curbside service, safely, even in the bitter cold."—Lynn (library patron)

"The library helped me start a new business. I went into the library with a question and left a week later with the knowledge to have my own business."—Jeffrey (library patron)

---

### GOALS:

- Build partnerships and develop cooperative programs that support local community needs.
  - Provide high quality technology services and increase access to digital resources.
  - Enhance information resources available at the County's public libraries and develop innovative ways to increase their use and reach new audiences.
  - Continue to support/advocate for increased funding resources for both public and private.
  - Continue an ongoing planning process which responds to the changing library service needs of County residents.

## CLERK OF COURTS

### PROGRAM DESCRIPTION:

The Clerk of Courts' office manages civil, small claims, family, paternity, criminal, traffic, and ordinance cases. The Clerk and deputies are responsible for the filing, maintenance, and safekeeping of all court records, including the clerking of most court hearings. They also manage the financial aspects of court activity, such as the receipt of fines and forfeitures, reimbursements for court services, and collection of outstanding financial obligations.

Other responsibilities include jury management, passport processing, appeals, open record requests, reports, court liaison/community activities, and many others. All duties are governed by the Wisconsin State Statutes, court district guidelines, circuit court rules, and county ordinances.

### *Did You Know?*

Due to the COVID-19 pandemic, the majority of scheduled court hearings were conducted by Zoom. Other hearings, such as jury trials, were simply delayed for over a year.

---

### GOALS:

#### Clerk of Courts

- Continue to work on the recovery involving the criminal case backlog, through scheduling and follow-up, which resulted from the impact of COVID-19 and the negative effects on the Court system.
- Continue with the processing of the CIB (Crime Information Bureau) fingerprint cards, working with state/federal data centers, and the retention/destruction of old files and exhibits stored in the Clerk of Courts office.
- Prepare for the smooth transition for the Clerk of Court retirement in 2023 through training of staff and assembling resources available to the new Clerk of Court.

#### Family Court Mediator

- I will continue to grow my mediation skills and knowledge of family court issues by attending conferences/trainings in 2022, and networking with other family court professionals.
  - As the pandemic continues, I will remain current on the best practices for conducting mediation sessions by reviewing the latest information in the field. I will track data for mediation sessions completed in Columbia County and report the information quarterly to the circuit court judges.

## MEDICAL EXAMINER

### PROGRAM DESCRIPTION:

Coroners/Medical Examiners of Wisconsin are governed by Wisconsin Statutes concerning medical-legal death investigation, which includes portions of Section 979, 59.34, and 69.18. Wisconsin Administrative Code DHS 135 also defines duties and responsibilities.

Beginning in 2007, the Office of Medical Examiner was created in Columbia County by abolishing the Office of Coroner by Resolution 21-06, as allowed by Wisconsin State Statute. The duties of the Coroner and the Medical Examiner are synonymous. A coroner is an elected bipartisan office and a medical examiner is an appointed county employee. There is no requirement in Wisconsin that a medical examiner be a physician, only "a qualified expert in medicolegal death investigation".

The Chief Medical Examiner will continue to serve as the chief medical-legal death investigator for the county. Duties include, but are not limited to: determination and documentation of the cause and manner of deaths in cases of jurisdiction, proper certification and completion of death certificates, ordering and conducting autopsies and other forensic tests, the consultation and rendering of objective investigative information to law enforcement and other legal authorities, the proper securing and storage of documents/evidence, and the responsible dispersal of public funds in providing for the budgetary administration of the office.

### *Did You Know?*

Sailors used to wear earrings that were worth enough to pay for a coffin in case they died in a strange place.

---

### GOALS:

- Continue to provide outstanding personal care as it relates to death and grieving. Our office extends itself beyond death investigation and provides therapeutic interventions to the families of the deceased.
  - Maintain and hire professional staff suitable for the ever changing field of death investigation in a 24/7/365 office.
  - To establish healthy working relationships within county entities to best serve the community together.
  - To promote and provide advancement training as it relates to the death investigation field through virtual trainings, conferences, staff meetings/trainings, and educational reading materials.
  - Participation in community groups including Child Death Review Team, Opioid Fatality Review Team, and to establish a Suicide Review Team for prevention of suicide within Columbia County.
  - Offer internships to high school or college students interested in a career in death investigation. Collaborate with educational curriculums.

- Study and monitor County investments and bank functions to achieve maximum efficiency and return.
  - Continue Lottery & Gaming Credit file maintenance and work on updating mailing addresses to meet USPS standards.
  - Work on selling some of the County owned property that we have foreclosed on in prior years to get back onto the tax roll and recoup the County's money.
  - Work with Land Information on our Ascent Land Records system to get the County Receipting Program online.

## HUMAN RESOURCES

### PROGRAM DESCRIPTION:

The Human Resource Department's mission is to maintain Columbia County's compliance with Federal, State and local laws relating to employee/labor relations. This mission is accomplished through the innovative efforts of the staff in maintaining updates on all proposed and new regulations affecting labor/management relations.

The responsibilities of this Department lie in three areas. The Department is responsible for implementing County Board approved policies and procedures as they relate to personnel functions and for making recommendations to the Board through the Human Resources Committee regarding the same; maintenance and administration of payroll operations and wage/salary administration; and developing and maintaining health insurance and other employee fringe benefit programs.

The Director is the Equal Employment Opportunity, Affirmative Action and American Disabilities Act coordinator for the County.

---

### *Did You Know?*

The State of Wisconsin now allows Counties to participate in their group accident insurance. Accident insurance provides a cash payment directly to employees to help pay for out-of-pocket and uncovered expenses in the event of an accident.

### GOALS:

- After discussions with NeoGov, we have decided to partner with MIS to try and automate our applications and application tracking process.
  - Meet with department heads and departments on a more regular basis to discuss various issues.
  - Work on the employee and department head evaluation process.
  - Find ways to provide employees opportunities to boost their morale, mental health and well being.

## LAND INFORMATION

### PROGRAM DESCRIPTION:

The Land Information Department was established by the Columbia County Board of Supervisors as part of the statewide Wisconsin Land Information Program. The WLIP provides funding to support local land records modernization efforts. Our objectives are to coordinate the modernization of land records and to maximize the effective development, maintenance, and use of shared geographic and land information system resources throughout Columbia County.

The Land Information Department is a central player in supporting all land records activities in Columbia County and is the coordinating office for land records. It serves as the office of the County Surveyor, performs the Real Property Listing functions, assessment management duties, and is responsible for all GIS and mapping initiatives as well as coordination and implementation of the Land Records Modernization Plan. The department works with county departments and communities to ensure quality and sound management of land records and land information systems.

The Land Information Department is governed by Wis. Stat. § 59 wherein specific duties are set forth and funding sources are determined.

- Real Property Listing and Assessment Management as defined in Wis. Stat. § 70.09
- Geographic Information Systems (GIS)
- Land Records Modernization, Land Information Officer duties Wis. Stat. § 59.72

## 9-1-1

### PROGRAM DESCRIPTION:

Wis. Stat. § 146.70 govern Sheriff's duties and responsibilities.

All police communication and dispatch service to law enforcement officers, emergency medical services, and fire personnel are provided through the Columbia County Sheriff's Office Dispatch Center.

A system which has the ability to connect a person dialing the digits "9-1-1" to a designated answering point in a public agency. When 9-1-1 is dialed from a landline, it automatically identifies the caller's address and phone number. A wireless call will display the caller's phone number and approximate location based off a triangulation of the cell towers. These locations then plot to a map and nearby emergency vehicle can be dispatched.

Our dispatch center can also operate from Marquette County Sheriff's Office, in case of an emergency, as they are our back-up for emergency radio services.

Public Service Answering Points (PSAP) are located at:

Columbia County Sheriff's Office  
Wisconsin Dells Police Department

### *Did You Know?*

Dispatch received 75,047 total telephone calls for service. Of those calls, 15,953 were 911 calls and 12,844 were from cell phones. With incoming and outgoing calls, the dispatch center handled 99,948 calls. 102,902 calls for service (CADs) were created.

---

### GOALS:

- Continue with ongoing training opportunities for dispatch on current systems.
  - Continue education for dispatchers to enhance their skills by providing specialized training.
  - Continue working with Fire and EMS to use Spillman Touch system.
  - Work on cross-training all staff on daily tasks.

**S.A.R.A.****PROGRAM DESCRIPTION:**

Authorization for this program is Wis. Stat. § 323, Columbia County Resolution 7-88; and the Federal Law P.L. 99-499, which was enacted in October, 1986 by the United States Congress to protect and inform all citizens of the existence of hazardous chemicals that may be manufactured, stored, distributed or used in a community. This public law is the Emergency Planning and Community Right-to-Know Act of 1986, Title III of the Super Fund Amendments and Reauthorization Act of 1986 (S.A.R.A.).

S.A.R.A. establishes hazardous materials reporting and planning requirements for Federal, State, and Local governments and industry. S.A.R.A. directs that a number of deadlines be met to implement this very comprehensive hazardous materials program. A requirement for S.A.R.A. is that a local planning committee be appointed for each Emergency Planning District. Emergency planning grants are for the purpose of assisting committees to comply with the requirements of 323 and the Federal Act. Columbia County's Planning District, S.A.R.A. (Emergency Planning Grant), is implemented through the Columbia County Office of Emergency Management.

***Did You Know?***

Superfund Amendments Reauthorization Act (SARA) a/k/a SARA Title III, established requirements regarding emergency planning and Community Right-to-Know reporting on hazardous and toxic chemicals after the 1984 Bhopal, India gas tragedy where 500,000+ people were exposed.

## **HAZ-MAT**

### **PROGRAM DESCRIPTION:**

The Haz-Mat budget was first developed in 1997 after several years of negotiations with the City of Portage. On October 16, 1996, the Columbia County Board of Supervisors passed Resolution No. 54-96, designating the City of Portage Haz-Mat Response Team as the Columbia County Haz-Mat Response Team, pursuant to Sec. 323, Wis. Stats., to be eligible to receive grant funding. The formation of this budget is also contingent upon a majority of the county's local municipalities participating in the program by contracting with the county team.

Hazardous materials are substances that have the potential to threaten human life or the environment. The Columbia County Haz-Mat Response Team consists of technicians who meet the standards for responding to a Level B release of hazardous materials. Some of their activities include emergency response planning, training, exercising, education and outreach.

---

### GOALS:

- Finish the comprehensive list of all veteran burials in Columbia County.
  - Create a guide of resources available for veterans and their families to include both veteran and non-veteran specific resources.
  - Network with the non-veteran civic clubs outside of Portage to let them know the function of our office.
  - Meet with the nursing homes throughout the county to inform them of the possible benefits for the veteran or surviving spouses of veterans residing there.

### **PROGRAM DESCRIPTION:**

Chapter 45 of the Wis. Stats. provide for each county to have a "County Veterans Service Commission" consisting of three residents of the county who are veterans appointed for staggered three-year terms by the County Board Chairperson. ## PLANNING AND ZONING

### PROGRAM DESCRIPTION:

The Planning and Zoning Department is organized pursuant to Section 59.69 Wis. Stats., which is the statutory authorization for counties to create planning and zoning agencies and adopt master plans and zoning regulations. The intent of Section 59.69 and other Department statutory responsibilities is to protect and promote the public health, safety, and general welfare, by developing plans and establishing regulations to further the orderly and efficient use of land, prevent conflicts between adjacent land uses, and protect property values and natural resources.

The Department is responsible for developing and implementing the County Comprehensive Plan which includes the Farmland Preservation Plan. These plans are implemented by the general zoning code, which includes farmland preservation zoning that is effective in towns that adopt the code. The Department has county wide responsibility for other regulations; a floodplain zoning ordinance that is integral for the protection of lives and property and the maintenance of FEMA's flood insurance program in the county; and the Shoreland-Wetland zoning ordinance provides protection for water and other natural resources; the Land and Subdivision ordinance which established minimum standards for land divisions and platting; the construction and installation of private sewage systems; and the reclamation of nonmetallic mines. Ordinance administration involves permit issuance, inspections, monitoring compliance, responding to complaints and legal enforcement action when necessary.

### *Did You Know?*

In zoned townships, Tourist Rooming Houses ("AirBnB"-type rentals) require a Conditional Use permit that needs to be reviewed by the Town and approved by the Planning & Zoning Committee. These requests have been steadily increasing each year.

---

### GOALS:

- Work with Land Information to evaluate efficiency opportunities in mapping zoning changes.
  - Update forms and brochures with Chapter 12 changes.
  - Develop timeline, approach and define opportunities to complete and update the Columbia County Comprehensive Plan 2030.
  - Explore the use of existing data and GIS capabilities to develop a floodplan impact tool, which will help us expedite review of Substantial Damage reports and the response time associated with them.
  - Assess current fee schedule due to continued increase in services, needs, and resources.
  - Continue to define program relationships and available technical skills that will help our internal and external customers meet program expectations.

## SOLID WASTE DEPARTMENT

### PROGRAM DESCRIPTION:

The Solid Waste Department's goal is to protect the environment through sound refuse and recycling practices. The department assists individuals and businesses in dealing with specific solid waste and recycling issues. Tours and educational materials are available for public service groups, schools and municipalities within Columbia County. The department also ensures that Columbia County is in compliance with all state and federal solid waste and recycling rules and regulations.

The Columbia County Recycling Center enables municipalities, businesses and residents to recycle items banned from landfills. Recyclables are collected at drop off sites throughout the county as well as curbside by county employees and private contractors and brought to the facility for processing. The material is then sorted, baled and sold to end users. The facility also accepts and recycles electronics, tires, fluorescent bulbs, and used oil.

The Solid Waste Transfer Station accepts refuse and demolition material that is collected and brought to the facility by county employees, private contractors and county residents. All refuse material brought into the facility is weighed and a tipping fee is charged. The material is dumped on the tipping floor and reloaded into open top trailers. It is then transported to a DNR licensed landfill.

Columbia County Solid Waste partners with Dane County Clean Sweep between June 1 and September 30 each year to provide safe collection and disposal of household hazardous waste and chemicals. Residents obtain a form from the department to document their materials. The items and the form are then taken to the Dane County Hazardous Waste Facility for disposal.

### ***Did You Know?***

The Solid Waste Department will process more than 8,000 tons of recycling in 2021.

---

### GOALS:

- Upgrade sorting system to be more automated and increase productivity to 10 tons per hour.
  - Redesign the layout of the facility to better utilize the available land and improve traffic flow.
  - Reroute commercial accounts to improve productivity and reduce costs.
  - Focus on safety awareness to reduce accidents and injuries with a goal of zero.
  - Continue to educate the public and municipalities on proper recycling in order to reduce recycling contamination.

## LAND AND WATER CONSERVATION

### PROGRAM DESCRIPTION:

Chapter 92 of the Wisconsin State Statutes was the birthplace of Land and Water Conservation Departments (LWCD) throughout Wisconsin. The primary focus of this department is to implement the DATCP's Soil and Water Resource Management Program. The State approved County Land & Water Resource Management Plan is the main implementation tool. This tool combines DATCP and DNR Non Point Source Abatement programming into one larger overall program at the local level. The LWCD operates programs such as the DNR Targeted Runoff Management, LWRMP, Farmland Preservation, NR 243 (NOD), and Wildlife Damage. These programs are carried out in cooperation with DNR, DATCP, NRCS, APHIS, and other local districts, boards and workgroups.

The LWCD focus is to provide long-term protection, promotion and enhancement of Columbia County's natural resources. This is done primarily through departmental services such as technical assistance, conservation information and education, GIS application, financial assistance (grants), regulatory action (ordinances) and landowner project consultation.

---

### GOALS:

- Develop and implement department strategy to engage landowners who own/operate the remaining 20% of agricultural lands not currently covered by a 590 Nutrient Management Plan.
- Prepare and submit additional DNR Targeted Runoff Management and Notice of Discharge (TRM/NOD) grants to meet needs of individual sites.
- Complete assessment of inventory work related to permitted animal waste storage structures.
- Develop necessary forms and processes needed to implement recently updated Chapter 11 (Agricultural Performance Standards and Agricultural Waste Management) ordinance provisions.
- Develop enhanced tree program inventory system to support effective and efficient delivery of our annual tree sales program.
- Implement AEA Farmland Preservation Program incentive based project funded through DATCP 2021 SEG Supplemental Award.

### *Did You Know?*

Columbia County is utilizing a \$15,000 grant from DATCP to assist the Lake Wisconsin Farmer Watershed Council with development and implementation of its water quality goals.

## HUMAN SERVICES

### PROGRAM DESCRIPTION:

The services provided by Columbia County Human Services include the following: Mental Health, Substance Use Disorders, OWI and Adult Drug Treatment Court, Children's Disability, Child Protective Services, Youth Justice, and Economic Support Programs. The majority of resources are spent on Mental Health and Substance Use Disorders.

A few examples of sources that create the legal authorization for these services are Wisconsin Statutes, Wisconsin Administrative rules, Medicaid and Medicare regulations, and court orders.

The funding for Human Services is provided through county levy, state grants, collections from clients, Medicaid/Medicare, and Base County Allocation from the State.

Human Services works closely with state and county agencies, correctional institutions, local law enforcement, the District Attorney, Corporation Counsel, service providers, medical professionals, schools, and consumers to achieve its goals.

### *Did You Know?*

Columbia County Economic Support is part of the Capital Consortium, which consists of 8 counties. Those counties are: Columbia, Adams, Dodge, Juneau, Dane, Richland, Sauk and Sheboygan. Columbia County Economic Support answers calls, maintains caseloads, and determines eligibility for all 8 counties. Columbia County's staff ratio within the Capital Consortium is 4.79%, therefore, we are expected to take 4.79% of the calls each day. In 2020, Columbia took 10,713 calls, down slightly due to the pandemic. The average case load of an Economic Support worker is 849.

---

### GOALS:

- 100% of the individuals served through the crisis system will be followed up with for further services or support.
  - 100% of MARC clients will be assisted with connecting to recovery services within seven business days.
  - The CANS (Child and Adolescent Needs and Strengths) tool will be completed collaboratively with the placement provider and submitted two weeks prior to the due date.

## AGING AND DISABILITY RESOURCE CENTER

### PROGRAM DESCRIPTION:

The Aging & Disability Resource Center (ADRC) of Columbia County assists any citizens over the age of 18 with transportation, caregiver support, home delivered meals, meal site dining program, elder and disability benefit information, foot clinic, health promotion programs, family caregiving support, Alzheimer's support, homemaker services, low priced Ensure, and a bi-monthly newsletter, Grapevine. The ADRC also provides long term support information and assistance. Citizens that require long term care are given options that include private pay, IRIS-I Respect I Self-Direct Program (Advocates4U, Connections, First Person Care Consultants, or TMG) or enrollment with an MCO-Managed Care Organization (My Choice Wisconsin or Inclusa) for the Family Care and Partnership programs. The ADRC also provides Adult Protective Services, which is a mandated program by the State of Wisconsin.

These programs are legally authorized by various Wisconsin Statutes, the Older Americans Act (Federal), the Department of Transportation and the Columbia County ADRC Board. Funding for these programs is provided by the Wisconsin Department of Transportation, Medical Assistance, State and Federal grants, donations, service recipient contributions and some county levy dollars.

The ADRC works close with meal sites, volunteers, catering companies, Greater Wisconsin Agency on Aging Resources (GWAAR), Managed Care Organizations (MCO's), IRIS Consultant Agencies and the State of Wisconsin Bureau of Aging and Disability Resources (BADR).

---

### GOALS:

- Work with area medical clinics to develop improved workflows, which will allow for expedited receipt of information needed for timely completion of long-term care functional screens.
  - Develop dyads who will provide outreach and education to the community to inform and promote ADRC services, early intervention, and crisis prevention.
  - Adult Protective Services will provide at least three trainings to consumer populations that must include caregivers.
  - Successfully write three community grants to support the Title III programs.
  - Assess current marketing efforts to effectively promote the services provided under Title III and ensure all consumers are provided an opportunity to contribute to the same.
  - Increase outreach regarding AFCSP to outlying areas in the County, such as Lodi, Columbus and Wisconsin Dells.
- 

### *Did You Know?*

# GLOSSARY

## GLOSSARY OF TERMS

**Appropriation** -- A legal authorization granted by a legislative body to make expenditures and to incur obligations for specific purposes. "County Appropriation" as listed on individual department budgets, refers to tax levy allocated.

**Budget** -- A plan for the acquisition and allocation of resources to accomplish specified purposes. The County budget is adopted for calendar year term. The budget can be amended only through County Board resolutions.

**Approved Budget** -- The County's budget for the fiscal year, as reviewed and given final approval by the County Board.

**Recommended Budget** -- The County's budget for the fiscal year, as prepared by the Comptroller's Office and recommended by the County Finance Committee.

**Budget Amendment** -- Amendment made to the budget during the fiscal year by the Board of Supervisors, to properly account for unanticipated changes, which occur in revenues or expenditures, and for program initiatives approved during the fiscal year.

**Capital Outlay** -- Expenditures relating to the purchase of equipment, facility modifications, land, and other fixed assets.

**Capital Outlay Pool** -- A County account established for the purpose of centralized capital equipment accounting. All capital assets are purchased from this account unless a specific financing source is available. This pool is integrated into our Fixed Asset Accounting System.

**Contingency Fund** -- A fund budgeted within the General Fund which can account for unsettled labor increases as well as any unknown future contingencies.

**Debt Service** -- The planned accumulation of revenues and appropriation of expenditures for the retirement of long-term debt principal and interest.

**Equity Applied** -- Internal reserves that are being used to offset expenses.

**Equalized Value** -- The State of Wisconsin's estimate of the value of property in a defined jurisdiction (e.g. county, village, city, etc.). Equalized value is used to apportion property tax levies (county, school districts, vocational technical and adult education districts) among municipalities.

**Fund** -- Government accounting and budgeting systems must be organized and operated on a fund basis. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts.

**Capital Projects Fund** -- This fund accounts for financial resources to be used for the acquisition or construction of major capital facilities.

**Debt Service Fund** -- This fund accounts for the payment of interest and principal on long-term bonded debt.

**Enterprise Fund** -- This fund accounts for the financing of services to the general public where most of the costs involved are paid in the form of charges by the users of such services. The two funds established at this time are the Columbia Health Care Center and the Highway Department.

**General Fund** -- This fund accounts for all revenue and expenditures of the County which are not required to be accounted for in other funds. General operating activities funded through unrestricted revenue, are recorded in this fund. General Fund expenditures include the cost of general government, public safety, certain social service programs, solid waste, leisure activities, conservation and economic development. Revenues are received from general property taxes, federal and state revenues, licenses and permits, fines and forfeitures, user charges, intergovernmental revenue, investment income and other sources. Although a county can maintain more than one fund in each governmental fund type, it can maintain only one General Fund.

**Special Revenue Fund** -- This fund accounts for the proceeds of specific revenue sources used to finance projects or activities as required by law or contractual agreement. The one (1) fund currently established is Human Services, which includes Commission on Aging and County Health.

**Line Item** -- A specific expenditure category within an account budget; e.g.: rent, salaries, travel, and postage. Also referred to as an object code.

**Mill** -- A taxation unit equal to one dollar of tax obligation for every \$1,000 of assessed valuation of property.

**Non-Lapsing Funds** -- Monies within accounts, which, because of regulations, cannot lapse to the General Fund. The accounts with non-lapsing balances are allowed to maintain them after the calendar year is completed. All other account balances are transferred to the County General Fund at year-end. Non-lapsing balances can also be referred to as carryover funds.

**Tax Base** -- The aggregate value of all items being taxed. The base of the county's real property tax is the market valuation of all real estate in the county; that of the personal property is the market value of all automobiles, trailers, boats, airplanes, business equipment, etc., which is taxed as per property by the County. The tax base of a sales tax is the total volume of taxable sales.

**Tax Levy** -- The total amount of revenues to be raised by property taxes, for the purposes stated in the budget, to support County activities. Property taxes are levied in the current year for subsequent year appropriations.

**Tax Levy Limit** -- The maximum amount at which the County may levy a tax, imposed by the state legislature. County levies are frozen at the 2005 levy, increased by the percentage of change in equalized value due to new construction, or a percentage determined by the state.

**Tax Rate** -- Amount of tax levied for each \$1,000 of assessed valuation. Also referred to as "Mill Rate".

**Transfer** -- A movement of money from one account to another.
