**PREMISYS TO GENETEC PANEL UPGRADE**

Q&A

11/11/26

---

1. Will a separate system id be needed?

   No, we will not need a separate system id.

2. What about a directory server?

   We have a directory server that will meet all the specs.

3. Will any cloudlinks be needed?

   3 total cloudlinks will be needed.
