

The barn has two beautiful barn quilts! The upper photo shows the pattern “Wheel,” and the bottom photos show the pattern “Dads Three Birds.”

“Dads Three Birds” is a JoEllyn Belka original design. When she and her two sisters were little, Dad used to lovingly call them his “three birds.” JoEllyn's maiden name is Blau. In her German heritage, it translates to blue, hence the “blue” birds.

The picture on the left is an enlargement of the lower right hand square in the picture above.
