**Old Highway 73 Road Bridge Replacement**

Ayres Associates hosted Public Involvement Meeting regarding the reconstruction of the Old Highway 73 Bridge (B-11-0910) over the Crawfish River. The meeting was properly noticed and published. Ayres Associates David Pantzlaff and Amanda Inman presented the project schedule and funding summary. Utilities and DNR concerns were discussed. This is an historical bridge requiring additional paperwork with the State Historic Preservation Office. Three alternatives were presented.

Highway Committee did not convene a meeting. Members were present for informational purposes and to hear comments from local town jurisdictions and the public related to the project. No Committee action was taken.

**Adjournment**

Ayres Associates closed the meeting.

Respectfully submitted:

Henry St. Maurice, Secretary
