**7. Update of County Issues - WCA Report:**

John Reinemann

- Will not get tax rate limit bill through (would have left in place 3%); WCA will talk to Dept. of Administration about this initiative.
- WCA platform needs some revision.
- WCA awaiting non-partisan study committee outcomes; Sarah Diedrick-Kasdorf participates with this committee.
- WCA will be doing conference preparation
- WCA laying the foundation for the next budget

**Q.** Is raw milk bill going to be vetoed?

**A.** Governor Doyle will probably sign, but this is uncertain and difficult to predict.

**Q.** What is total deficit?

**A.** Around \$1 billion; \$800m. - \$1.4 billion (shortfall)

**A.** The existing fiscal budget is “holding” and there was not a budget adjustment bill. The stimulus money has helped.

**A.** The upcoming budget will be difficult.

- Q.** What is status of groundwater bill? (Regulation, control)
- A.** The bill was proposed, but did not gain traction. Proposed groundwater district/regions that need “management” of drawdowns. WCA to send e-mail with more information. Senator Miller has a web site.
- Q.** Any county implications of smoking ban?
- A.** Some questions on how clear the law really is. More of a big deal for cities and villages. In counties (Columbia) will likely be “complaint driven”.
- Q.** What is the status for nonprofits not filing on time?
- A.** Nonprofits should file even if late. (There may be retroactive approvals.)
- Q.** How did other counties establish elected official payment? Sheriff’s/Clerk of Courts/Other Constitutional Officers?
- A.** Columbia County: Discussed per diems and mileage last April.  
Jefferson County: Had Human Resource Committee take the lead. But entire County Board got very involved. Small percentage increase each year: 2%, 2%, 2%, 2% (over four years);  
Sauk County: Had Joint Personnel and Finance Committee: 1%, 1%, 1%, 1% - Failed; 0%, 0%, 1%, 1% - Approved  
Dodge County: Looks at “comparables” from other counties, but also had challenges with Internal comparables. Sheriff: 0%, 0%, 0%, 0%; Clerk of Courts: 0%, 0%, 2%, 2%.  
Marquette County: Has challenges with comparables since counties vary so much.  
Columbia County Did study a few years ago (Carlton/Dettman); high liability if important jobs are not done well (i.e. Sheriff)  
WCA: Constitutional Offices have approached WCA to look at a law change to make adjustments more fair (for constitutional offices)  
Jefferson County: Need to pay a “fair amount” to help avoid graft  
Sauk County: If you don’t pay them, you won’t get the quality  
Jefferson County: Need to be “fair and just” and then need to explain the rationale to the constituents  
Sauk County: Remember, non-represented can organize

**8. PROGRAM:**

**“What Does Successful County Government Look Like?” Presentation by Dan Hill, UWEX Local Government Center and Steve Grabow, UWEX Jefferson County Office.**

- Vision is a big part of leading.
- Interactive exercise led by Dan.
- Observations:
  - Big differences between policy and day-to-day operations.
  - Different perspectives on the issue of borrowing; managed debt is a good thing.
  - Not always as clear as could be when attempting to set policy; still questions on what is policy vs. carrying out policy.
  - Many say there is not clarity on what success looks like in their counties and within their committees.
- Vision Exercise led by Steve Grabow: “What Successful County Government Should Look Like” (from the ICC Counties). Note: This exercise is summarized in the attached document.

**9. Open Discussion of County Issues**

- Need more County contact with State elected officials

**10. Future Agenda Items**

- Adjust Bylaws for Marquette County joining

**11. Future Meeting Dates:** June 21, Economic Development in Marquette County; Possibly open in July

**12. Adjournment**

Motion to adjourn at 11:45 a.m.

Respectfully submitted,
