

Best Time to Call

The ending of the Federal Government's Public Health Emergency means that eligibility requirements and allotments to FoodShare members and Medicaid recipients will return to what they were before the pandemic. We may see an increased call volume at the Capital Consortia, as people understand the changes. Try calling Tuesdays, Wednesdays, Thursdays, Fridays; early mornings (8 am) or early afternoon (1:30 pm).

PUBLIC HEALTH UNWINDING

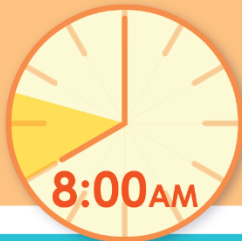

Do you need to speak to someone about changes to FoodShare and Medicaid as the public health emergency unwinds?
