

# Who can receive free immunizations?

**Free immunizations are available at Columbia County Public Health to those 18 years and younger and meet at least one of the following requirements:**

- Uninsured or Underinsured (underinsured means your child has health insurance but it either doesn't cover any vaccines, doesn't cover certain vaccines, or covers vaccines but has a fixed dollar limit and once that limit has been met then your child is eligible).
- Medicaid-eligible (including BadgerCare)
- Native American or Alaska Native.

**Some immunizations are available free for uninsured and underinsured adults 19 years and older for people in certain situations.**

- Please call (608) 742-9227 for more information.

**Some immunizations are available for a cost to any adult:**

- Seasonal influenza
- Hepatitis B
