## How Do I rent a roll-off container?

Have a date in mind and call (608) 742-6651 to check on availability. Please assume 1-3 weeks for scheduling.

Prior to delivery of container a Rental Agreement Application will need to be completed along with the rental fee. Payment can be made by cash/check/Visa/MC/Discover

## Do I need to be on-site for delivery of container?

We recommend that you be at the site. If that is not possible, the area should be clearly marked and specific directions given at time of rental.

**NOTE:** 12ft all around clearance is required (power lines, tree limbs, etc.) for container to be safely dropped off.

## What do I get for my \$430 or \$525?

- delivery
  - one (1) pickup of the container
  - one (1) week rental.
- And
- 3 tons of material for 20- and 30-yard containers.
  - 2 tons of material for 15-yard containers.

Additional pickup & return \$110.00  
Days beyond 1<sup>st</sup> week, are \$15 per day or \$90 per additional week.

A container will be delivered to a designated drop off location per your directions. Containers are picked up one (1) week from date of delivery unless a request is made for early pickup or to extend lease time.
