A map of the study area, likely a coastal or riverine region, divided into a grid. Ten sampling sites are marked with grey squares. Site 1 is a large red square located in the upper-left quadrant. Other sites are scattered across the grid, with concentrations in the center and lower-right areas.

A map showing two townships, T13 R6 and T13 R7, outlined in black. The boundary between them is a diagonal line. In the bottom right corner of T13 R7, there is a small rectangular area filled with red.
